Received at Wirral Public Health – 13<sup>th</sup> November 2017

It is the view of NHS Cheshire Warrington and Wirral Community Pharmaceutical Contracts Group that this change to the availability of pharmaceutical services is relevant to the granting of applications referred to in the NHS Act 2006 and the Group is satisfied that a revised Pharmaceutical Needs Assessment would be a disproportionate response.

This supplementary statement to the NHS Wirral's Pharmaceutical Needs Assessment is issued in accordance with paragraph 3D (3) in Part 1A of the NHS (Pharmaceutical Services) Regulations 2005
